Let's
make
the
best
of
the
best.

That's
kinda strange
huh?

It's
kinda
strange
huh?

It's a
strange
thing,
but I'm
not
sure
if
it's
a
good
thing.

She
said
she's
not
coming
back.

She's
staying
with
a
friend
again
tonight.

I'm
alone
with
her
tonight.

It's
kinda
strange.

CHARACTER P1

It's

in
the
living
room?

It's
kinda
strange.

It's
kinda
strange...

She's like that.

At least.

Why are you wondering around the shop? You could've just asked.

This'll produce more atmosphere, anyway.

I wanted to use that beautiful lighting fixture we have at home.

After all.

Yeah.

I'll be fine.

You sure you want to do this? You said you were already scared before.

FE
watch
from
here.

WHAT?!

What?

Oh,
what's
going
on?

She's
totally
approach-
ing
him.

What?

Or am I
just being
slow?

Maybe
they're
not big deals
for college
students.

Where
there.

Let's
get
under
the
surface.

So
slow.

I'm
so
slow.

So
slow.

...maybe
I really
will
never
lose you
again.

at
your
side.

...and I'm
going
to
leave
you
again.

I
know
that.

Now..

Girl!
That's enough!

But just how many
girls are you going
to marry now?

I was
telling
you
to

this

then
I'll
go

Remember
You don't

all
time,
do you?

WHAT DOES THAT MEAN?

You should think up where my baby will be born.

I'll let you and Haruko-san be alone together.

Just come home!

Of course I'm worried that my little sister has been wandering around so late for days!

I'm sorry I'll go home now!

I'm sorry I'll go home now!

I'm sorry I'll go home now!

I'm sorry I'll go home now!

I'm sorry I'll go home now!

I'm sorry I'll go home now!

I'm sorry I'll go home now!

Yes.
That's
right.

But I'm
worried
about my
personal
affairs.

You
might be
worried
about
your
little
brother.

Your dad
doesn't
ride, but
he's
surprisingly
strict.

But you're
a college
student,
and you
still have
a curfew.

Kim-cha's

she can't

He's
just a
good

But his

a little
odd.
Fascinated.

He's
not
sorry.

Yeah.
You're
right.

Hay!

You
shouldn't
open the
door for
people
so
easy.

As long
as I'm
here,
I thought
I'd see my
daughters.

I
have
a
secret

somewhere.

O-Goof
what
are you
up to.

Can't

What's
happening?
This place

I'll

SHHHH

What
are you
frustrating
me about?
Is
weren't you
mad?

What
are you
frustrating
about? I
can't
understand
that!

Why should
we
do it?
We should
accept the
situation
as it is,
right?

It's my
father...
he's in
trouble for
business
and
decided to
escape
me!

My
father
is
my
father!

Wait on the
sidewalk!
I'll get him
out of here
as quickly
as I can!

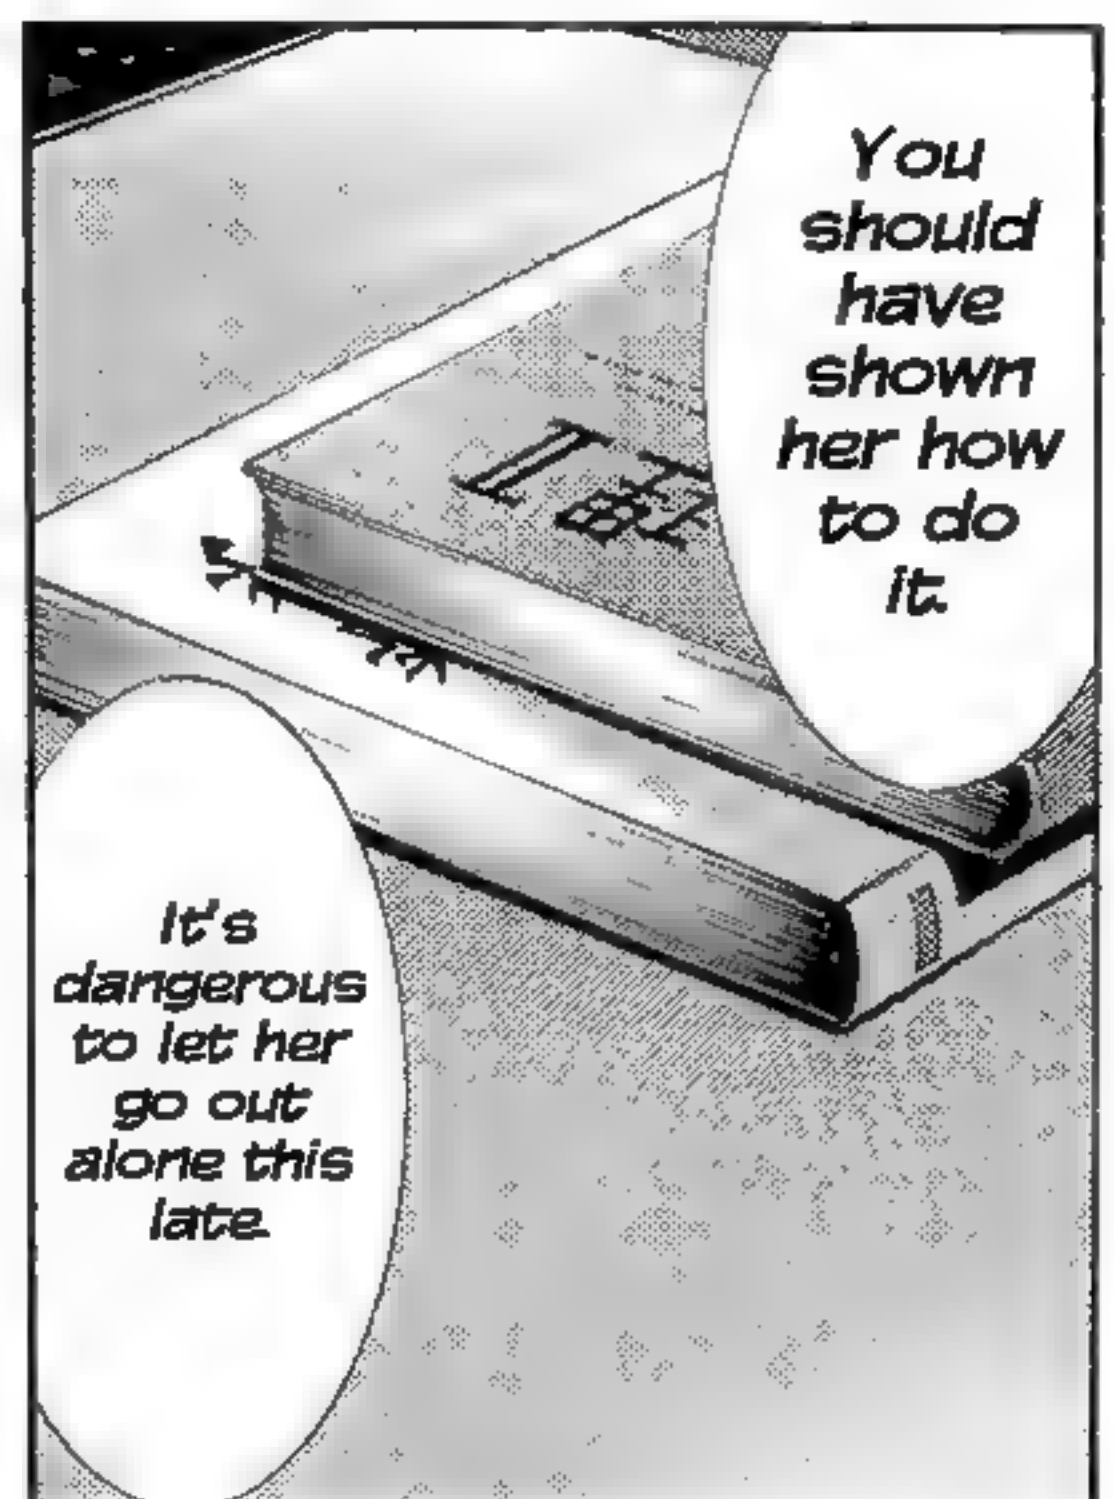

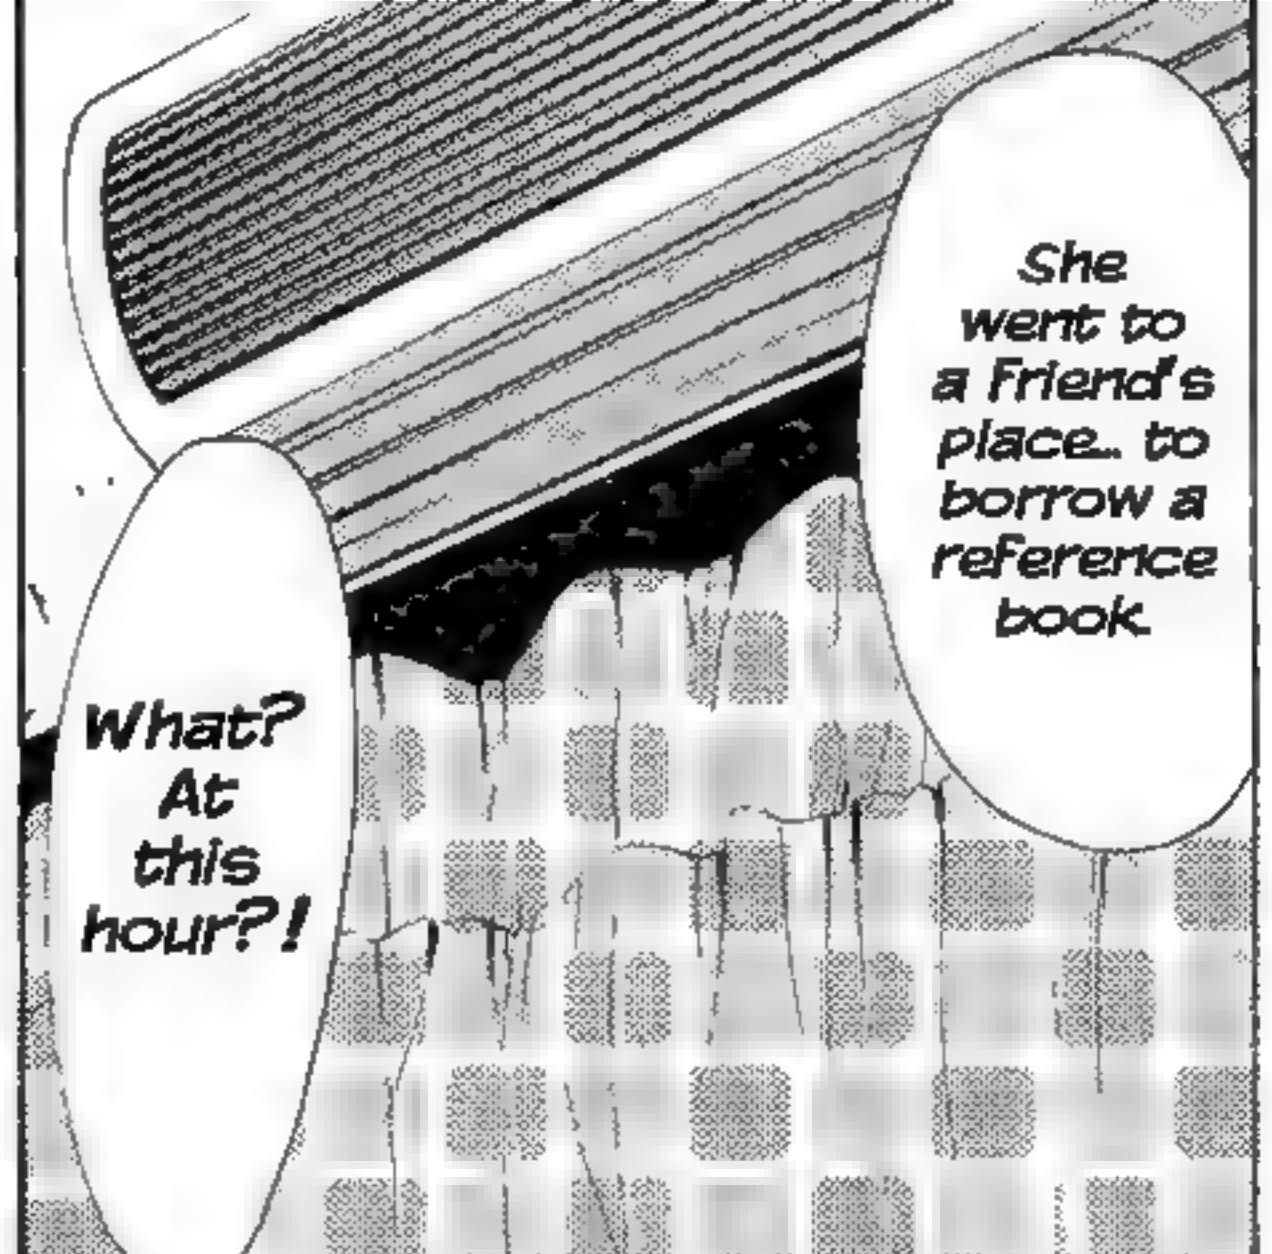

Here
you
are!

My

Call me

Sorry,

going to

Don't

Okay...

If only I could see him again...

But my father kept saying he was busy!

Four father must've worked late...

You must've been alone at last during your childhood...

married.

I wouldn't
father
for.

Your
father
hasn't
been
explaining
it either.

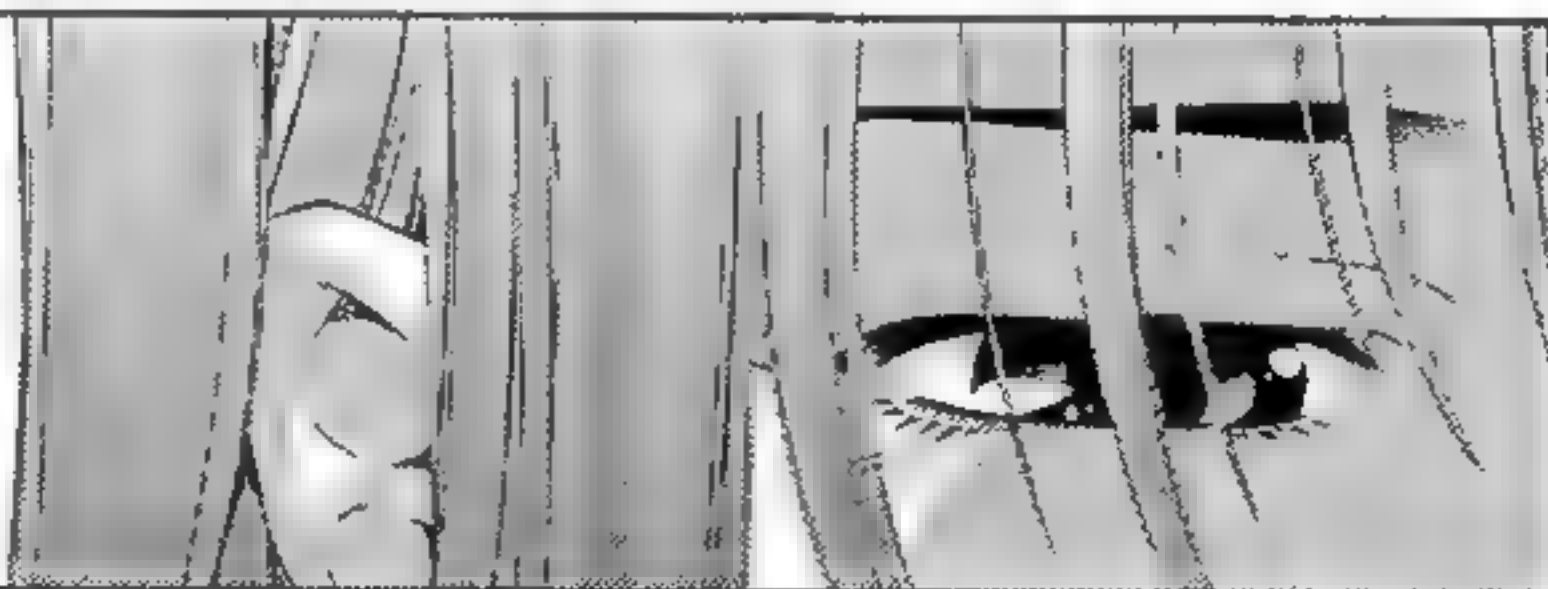

I don't
think
you
are my
father.

IF you
insisted
you'd rather
be away from
your family,
we decided
we'd send you
off without
a word.

When you
said you
wanted to
go to
Hiroshima.

We
couldn't
say no.

...both
Rin and
Yuzuki-chan
have
changed
a lot.

Thanks
to
you.

...that's
why

I'm
grateful
to
Haruto-
kun.

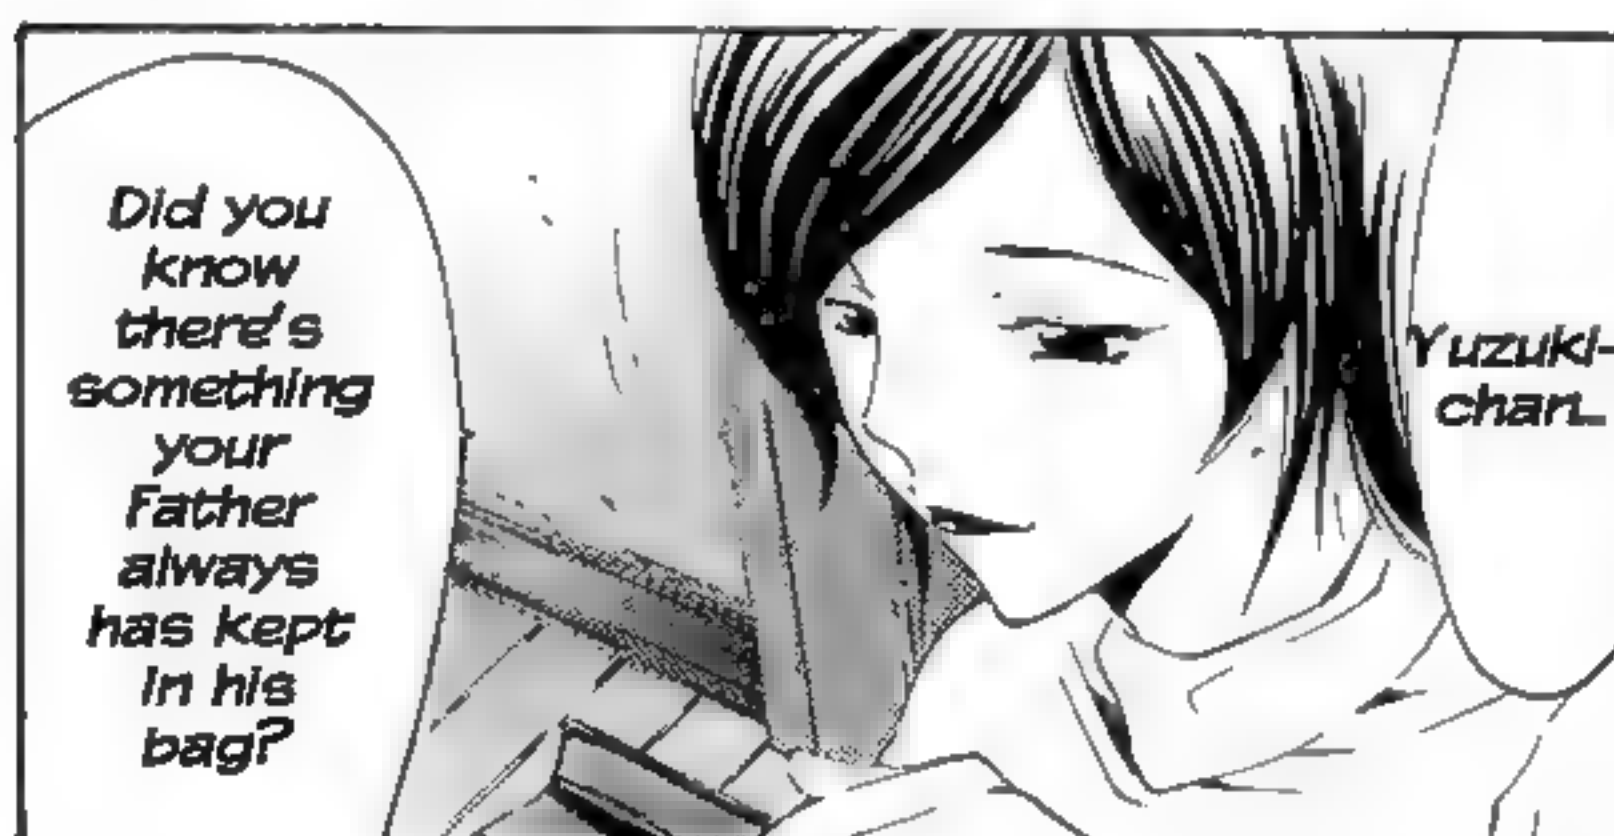

I
didn't
do
anything.

Not
at
all!

H
u
h
?

Did I
do
some-
thing?

When you
decided
to go to
Hiroshima...

Even on
the way
here.

When he
looked at
this photo,
he would
say the
same
thing.

A
parent's
job is
to send
their child
down the
path...

...that
will
make
them
happy...

You
probably
got it from
your
father.

...

...

You're
both
so
stubborn.

You
really
are just
like him.

#164: A LETTER

...
O-okay.

It's Fine.

A child shouldn't worry about that.

Don't worry about it. Just do your best.

I'll talk to your Father about you two living together and your tuition.

I want to apologize to him!!

I'll go with you!

Ah

I told
them to
call
regularly.

I'm
late.

I
don't
want
arguments.

About
Fumi's
attending
college
here and
living with
her
boyfriend.

She
should
do what
she
wants...

She
won't
listen
to me,
no matter
what I
say.

Wh...
what's
wrong
with
that?

Haruto-
san,
are you
still
calling
her
"Eba"?

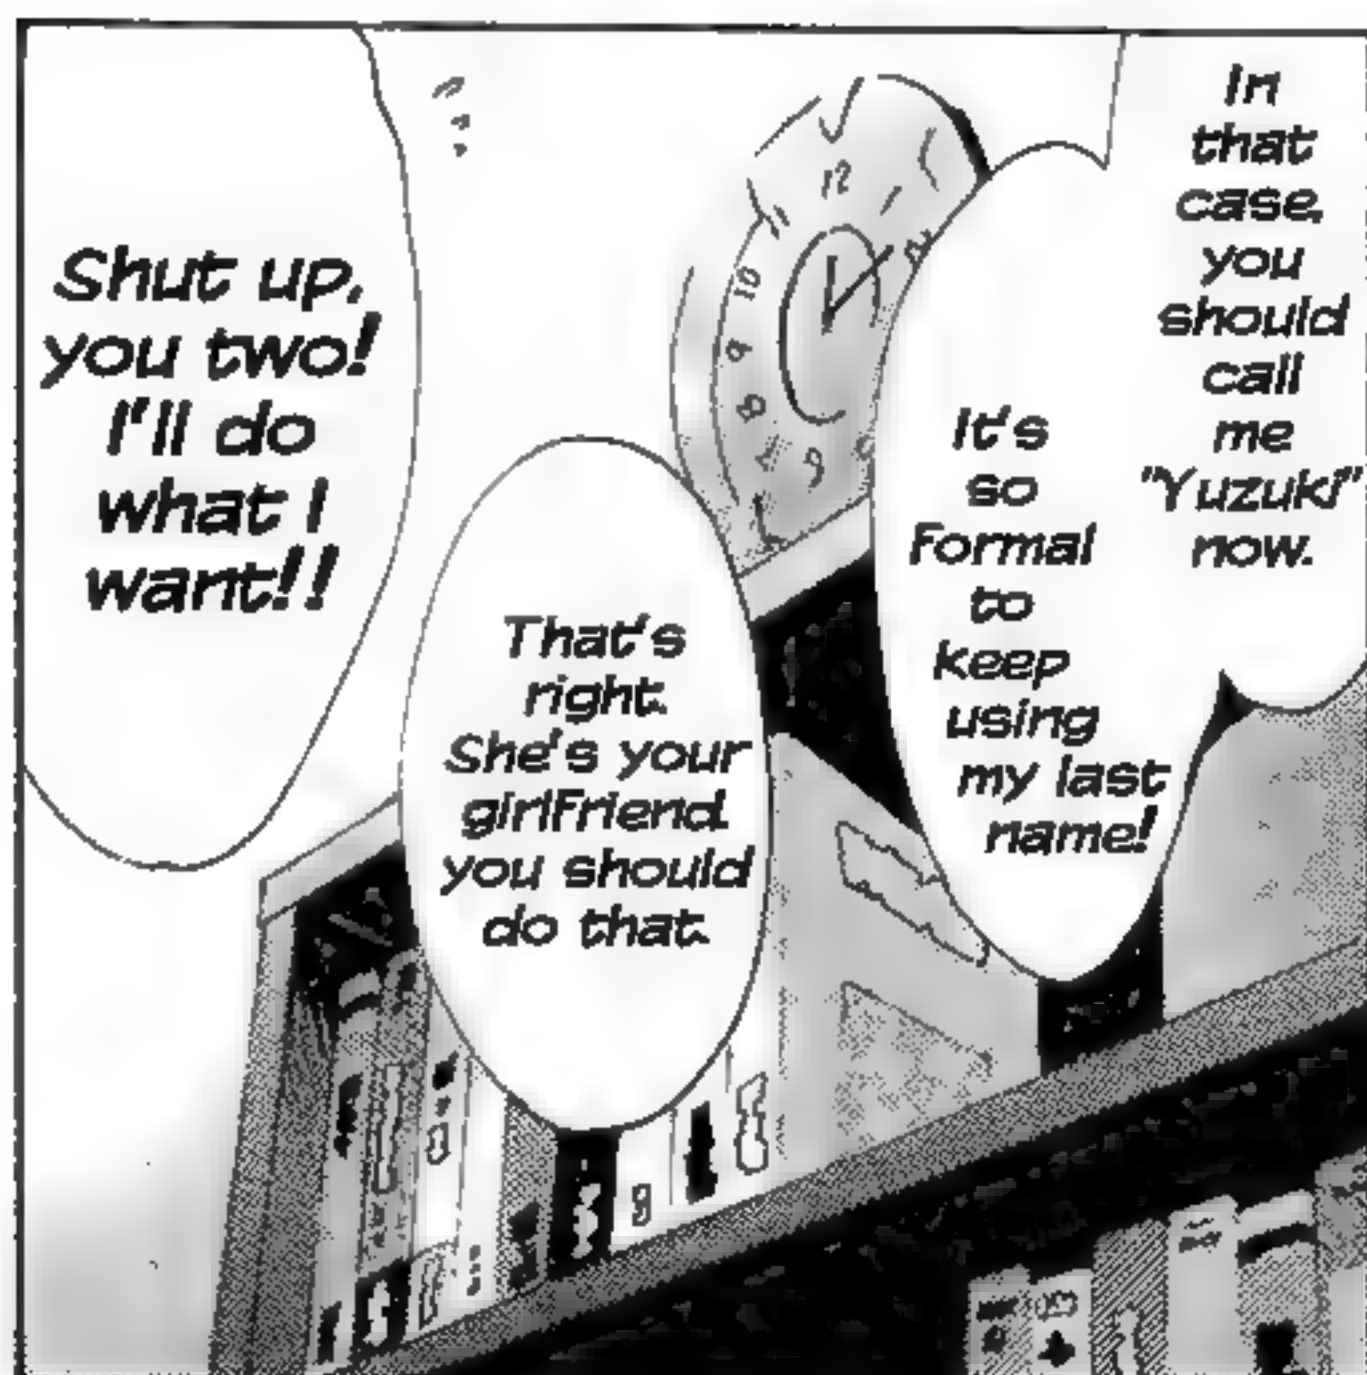

...and a
lot more
things
I wanted
you to
ask me
about.

But
there
were
actually
a lot of
things I
wanted
to talk
to you
about.

...you'd
bring
Yuzuki
back.

When she
was in
Nagoya,
you said...

Shut up,
you two!
I'll do
what I
want!!

That's
right.
She's your
girlfriend.
you should
do that.

It's
so
formal
to
keep
using
my last
name!

In
that
case,
you
should
call
me
"Yuzuki"
now.

Um...

I
don't
really
remember.

H-
He
did?!

You seemed really concerned about it

Anyway...
What did you notice in the letter to your father?

Someone sent me a letter addressed to me. It was from your father.

What did you notice?

I only have one letter about you.

I'll do it when I'm ready!

I'll tell you if you call me by my name.

Let's meet tomorrow.

See you tomorrow.

He's kind of like you.

*...than
anyone
else.*

*He is
more
important
to me.*

*...but
just
watch
over me
for a
little
longer.*

*I know
you
might
be
worried
now.*

A
cheeky
young
woman...

She's
got some
info...

Yeah,
you're
right.

Fuzuki's
smart.

The story
will
be interesting.
